## Youth hunts, guided hunts available through raffle

In an effort to increase interest in hunting in Moffat County, and to get more people interested in the sport, the Craig Chamber of Commerce, with the support of several local outfitters, is raffling ten premium hunts for 2010 and 2011.

"This raffle, because of the generosity of our members means ten lucky people will get a chance at a one-of-a-kind destination hunt," Chamber Executive Director Christina Currie said. "Northwest Colorado is a hunter's paradise and we really want to draw attention to that, particularly now."

Included in the raffle are two youth hunts that include licenses

and outfitting. One is for a bull elk and one for a buck deer.

"These are amazing hunts," Currie said. "I hope local residents take advantage of this opportunity."

Triple Track Hunting, Elkhorn Outfitters, Norman Ranch and Y Lazy S Ranch have

all donated hunts for the raffle, including two premier youth hunts, and hunts for bull elk, cow elk, buck and doe deer and buck and doe pronghorn, archery pronghorn and muzzleloading deer.

Most hunts are fully guide and all include lodging.

The funds raised by this raffle will be used for upgrades to and renovations to, as well as operation of the Moffat County Visitor Center.

For more information about the raffle or the outfitters who have donated hunts, go to [www.craig-chamber.com](http://www.craig-chamber.com).

## ILC is seeking volunteers

The Independent Life Center has challenging volunteer positions available: substitute van driver, office assistant, and receptionist are some examples. Contact Evelyn at 826 0833 for details.

The Disability Awareness Days committee is forming to plan the 2nd annual event. This year we will be commemorating the 20th anniversary of the signing of the Americans with Disabilities Act. New committee members are welcome. There can't be too many.

ILC's Social Security Benefits Advocates are ready to help anyone who needs to apply for Social Security Disability Benefits. Call

826 0833 and ask for Debby or Catherine.

## Four Masterworks employees certified to test for carbon monoxide

Masterworks Mechanical has implemented carbon monoxide testing for all gas appliances and four Masterworks employees are now certified by the National Comfort Institute to perform this service. They are also certified in a new concept of Heat Maxx and Cool Maxx that helps measure total system efficiency and Masterworks mechanical was named the National Comfort Team Contractor of the month in December.

## YoungLife seeking car show sponsors

Bear River Young Life and The Cruisers are working on the 2010

Car and Motorcycle Show, June 19 in Downtown Craig.

In order for the show to be a success they are seeking the help of local businesses in the forms of prize sponsorships and donations.

Award Sponsorship: \$100  
Show Sponsorship: \$205  
Super Sport Show Sponsorship: \$500

Donations, sponsorships and participation are all vital in creating an enjoyable show for everyone involved. This is your chance to contribute to a great show and all proceeds will go directly to Bear River Young Life; helping fund camps, future activities, and promoting your business while helping with a great cause. It will also help the Cruisers to continue their ability to be a part of the collector community in Northwest Colorado. Young Life is a 501c3 so all donations are tax-refundable.

If you have questions, or would just like to know more about

Young Life we encourage you to check out [www.bearriver.younglife.org](http://www.bearriver.younglife.org) or call our Area Director, David Pressgrove, at 970-629-9600.

## Dizziness has many causes, solutions

By Jason Lloyd D.C.  
CRAIG CHIROPRACTIC

From time to time, a person will experience disorientation and nausea with the turning of the head. This is quite common.

There are several reasons for this condition to occur. The one we will focus on is a check and balance routine that the brain uses to make sure that you are oriented. Your brain gets information as to where you are by taking information from the eyes, ears and neck muscles.

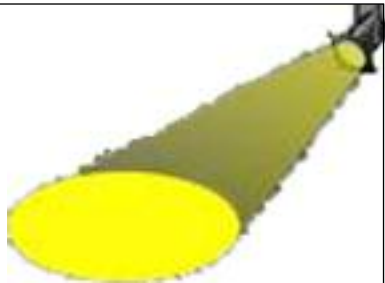

When it comes to the neck, looking down requires a tightening up of the front muscles and a loosening the ones in the back.

Your brain knows what action your muscles are taking. Also, when looking down, the eyes focus on the ground and the ears pick up the motion of your tilting head sending that information to your brain. They must agree, muscle position, focus and motion, if not you may feel disoriented.

A type of "nonagreement" happens when a bone in your neck gets displaced. When you look down this time the muscles of the neck at the location of the displaced bone have to move differently than your brain is used to.

This difference in muscle movement, whether distance or strength, sets up a "nonagreement" and its possible disorientation. This situation is of a physical nature and may be able to be determined with an exam and corrected. Talk with your chiropractor and see if you qualify for treatments.

# Beautification committee sets 2010 goals

By **Julie Hanna**

Your Craig Beautification Committee is beginning work for 2010. Several projects are in the works.

The Victory Garden at Finley Lane and West Victory Way will soon spring into new growth and blooms. Most of the plants are drought resistant perennials. This year's goal is to complete planting of the area and finish the west end with additional plantings and boulders.

The Chamber of Commerce building located at 360 E. Victory

### NEXT MEETING:

**When:** 5:15 p.m. May 4

**Where:** Craig Chamber of Commerce

**Details:** The beautification committee meets every Tuesday. The first Tuesday of the month is the business meeting. Other Tuesdays the group meets at the Chamber and then chooses an evening project that can include picking up trash, pulling weeds or planting.

Way is due for a landscape makeover! A new design is being developed and will be implemented this summer. Watch as the

changes begin to happen.

Continuing to keep the downtown clean is an ongoing goal of the committee. Work nights will be set for volunteers to help in the clean up. Special emphasis is always paid to the front of the Firehouse.

The next meeting of the Craig Beautification Committee is Tuesday, May 4 at 5:15 p.m. at the Chamber of Commerce building. You don't need a green thumb; we welcome anyone wanting to help make our community a beautiful place in which to live.
